Informational Program and Ranch Tour**

Please allow 30 to 40 minutes from Glenwood Springs.

Directions: Sweetwater Ranch can be reached most easily at Exit 133 off I-70. If coming from the east, exit at 133 and follow the frontage road across Colorado River then turn north. If coming from the west, exit at 133 and head north. From I-70 exit go north 7 miles along the Colorado River. At 7 miles, is **Anderson Camp**. Easily visible are a pond and big red barn on the river side, and housing on the left of the road. Sweetwater Road and creek meet Colorado River Road and you must turn west at that point. At that intersection, there is a big white sign giving mileage distances to multiple people's places. "Bill Rogers" is listed as 6.9 miles from that sign and all the listings are for "Sweetwater Road" which heads west. You can not miss it! Do not drive further north along the Colorado River at this point! Turn west on Sweetwater Road (County Rd 150). This road has mile markers. There is no mile 7 marker but the road changes from dirt to asphalt at the Eagle-Garfield County line. Stop! Look left! Sweetwater Ranch is right there with driveway down to the house.
